

ADRIATIC CROATIA INTERNATIONAL CLUB

MARINA PRICE LIST

(in EURO - VAT included)

Effective from January 1, 2009

GENERAL CONDITIONS

This Price List includes all nautical services rendered by ACI marinas and is effective from January 1st, 2009. Prices are in EURO and include a 22% Value Added Tax. ACI reserves the right to change the Price List without prior notice.

ACI incorporates 21 marinas of which 17 are open all year round while the remaining 4 marinas are opened in the season only.

ACI marinas opened all year round:

ACI Umag, ACI Rovinj, ACI Pula, ACI Pomer, ACI Cres, ACI Opatija, ACI Supetarska Draga, ACI Šimuni, ACI Jezera, ACI Vodice, ACI Skradin, ACI Trogir, ACI Split, ACI Milna, ACI Vrboska, ACI Korčula and ACI Dubrovnik.

Seasonal ACI marinas (open from April 1st till October 31st):

ACI Rab, ACI Žut, ACI Piškera and ACI Palmižana

Tourist tax:

All boaters are obligated to pay a tourist tax during their stay in Croatia in accordance to the Law of Tourist Residence fee - more information at the website of Ministry of tourism - Republic of Croatia - www.mint.hr.

Administrative costs:

Boat owners having stipulated berth rental or land storage contracts on annual basis are additionally charged the administration fee in amount of EUR 60 covering wintering license costs for foreign flag vessels as well as the ecological tax in amount of EUR 50 covering the annual environment protection expense (regardless of the boat flag).

Consumption of electricity:

Berths without consumption counter

Regardless of whether the boat is moored on monthly or annual bases, for all boats up to 15m a standard consumption of electricity is included in price in all ACI marinas.

For the boats of length higher than 15m electricity consumption will be charged by a flat rate of 10% on the annual or monthly berth rental.

GENERAL CONDITIONS

For the boats on a daily berth and of the length up to 12m, the power supply is included in price.

For the boats on a daily berth and of the length higher than 12m, power consumption fee is as follows (except ACI Marina Žut and ACI Marina Piškera):

• from 12,01 – to 14 m	4 EUR
• from 14,01 – to 17 m	6 EUR
• from 17,01 – to 20 m	10 EUR
• from 20,01 – to 25 m	14 EUR
• from 25,01 – to 30 m	25 EUR
• from 30,01 – to 40 m	35 EUR
• from 40,01 – to 50 m	45 EUR
• from 50,01 – to 60 m	65 EUR

Berths with the consumption counter

On berths with consumption counter the consumption is charged by the price list that is the integral part of the marina that offers such a service.

Consumption of water:

Water consumption for water tank filling over 200 liters is charged extra by the internal marina price list. Exception is made in ACI marinas Žut, Piškera and

Palmižana where daily consumption of water is limited to 100 liters per boat and where boat washing is not permitted.

All ACI marinas supply water and electricity in accordance with standard nautical needs. Restriction in supply of electricity or water is not a ground for price reduction.

Prices:

This Price List contains separate tables for each ACI marina with daily, monthly and annual fees for mooring berths and land storage places and is applied in all ACI marinas. Prices are based on the vessel's length over all (L. o. a.). Exception is made in case of annual berth prices, where the price is determined by the vessel's lengths over all and the vessel's width. ACI reserves the right to check the reported dimensions of the vessel. In case the reported length of a boat does not comply with the measurement, ACI reserves the right to charge a different price based on a length and width obtained by the performed measurement.

Catamarans and trimarans:

For multy-hulls all daily, monthly and annual berth and land storage fees are to be increased by 70%.

Charter activity:

The annual berth rental fee for boats used for charter purposes will be increased by 20% in ACI marinas Trogir, Split, Dubrovnik, while in other ACI marinas the annual berth rental fee will be increased by 15%.

By-boats (auxiliary boats):

Regardless of whether the by-boat (auxiliary boat) is registered or has a vignette signage, a berth fee is not charged when the auxiliary boat is berthed by the main boat.

When the by-boat (auxiliary boat) uses the separate berth place, and the owner is holder of a yearly berth contract, the owner is obligated to sign a separate contract for the by-boat and the berth fee for a yearly, monthly or daily berth or storage on land is charged with a 50% discount. Signing the yearly contract for the by-boat does not entitle the owner to the separate ACI Card.

When the by-boat (auxiliary boat) uses the separate berth place, and the main boat is not on a yearly berth contract with ACI, the valid price list for the daily berth is applied (no discounts allowed).

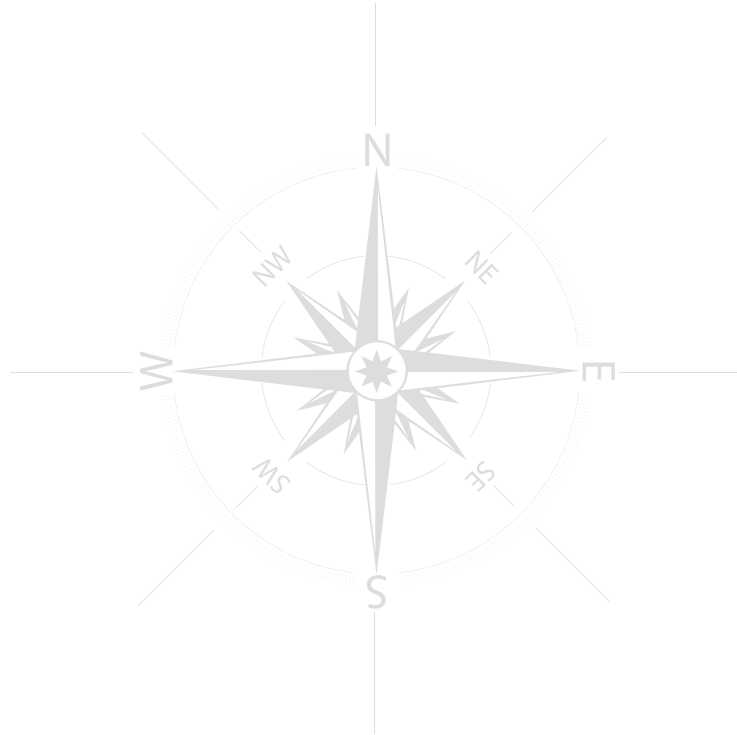

ACI Card – special benefits for ACI members

The ACI membership card (ACI Card) is granted explicitly to Boat owners who have stipulated an annual contract on berth or land storage place rental for an ACI marina. ACI Card holders, upon presentation of the ACI Card, are entitled to the following benefits:

- 10% discount on daily berth rates in all ACI marinas, all year round
- 50% discount on daily and monthly land storage rates are granted to holders of annual berth contracts in their contractual ACI marina or in a different ACI marina depending on the available land storage capacity, all year round
- 3 days mooring berth free of charge within contract period for holders of annual land storage contract
- One washing of the boat's underwater part with the high pressure pump, for holders of annual land storage contract

Note:

Discounts cannot be added up

Storage on land on annual basis

Included in price:

- annual land storage
- surveillance
- use of sanitary facilities with showers
- standard water and electricity consumption
- one car parking space at the ACI marina parking lot explicitly for the boat owner listed on the Annual Berth Contract (subject to availability)

Notes:

Annual berth contracts are valid for the contractual ACI marina only.

Payment for this service has to be effected in advance.

Holders of annual land storage contracts automatically become ACI members and are granted a range of benefits (see ACI Card special benefits paragraph).

Berth and land storage rental combination

Boat owners are granted the possibility to stipulate annual contracts combining both berth and land storage rental, depending on the availability of free capacities in the chosen ACI marina. Combined annual contracts are stipulated in accordance with the usual contract conditions for annual contracts, while the boat owner has to decide how many months of the contract period he will use a mooring berth and how many months a land storage place. The price for such contract is always calculated based on monthly rental fees. Holders of combined berth and land storage contracts are entitled to receive the ACI membership Card and are granted the same benefits as other contract holders.

Note:

Payment for this service has to be effected in advance.

Rental of boat cradles and wooden supports for all land storage services is offered depending on availability in marinas and is charged extra in accordance with the ACI marina price list (see Other services - table 1 and table 2).
